MOREwoods

for South Hams and Plymouth

A simple scheme to help you create beautiful new woodland

woodlandtrust.org.uk/MOREwoods

MOREwoods is a simple scheme to help you create beautiful new native woodland – with funding, advice and help from the **Woodland Trust**.

A new tree planting partnership has been created between the Woodland Trust, South Hams District Council, Natural England and Centrica to provide funding for tree planting on land surrounding Langage Energy Centre.

Landowners within the priority area (see map on front) could be eligible for not only free planting, but also, for areas over 3 hectares, funding up to £3,800 per hectare plus an annual payment up to £550 per hectare for 15 years.

MOREwoods is available to landowners with a minimum of one hectare (2.5 acres) but this could constitute a number of smaller areas. There is a limited amount of funding available and planting must be completed by March 2010.

Imagine, in just 12 years you could be walking through your own flourishing young woodland of native trees; oak, ash, hazel and rowan... helping prevent flooding, mitigating pollution, a haven for wildlife and critical to our own health and wellbeing.

MOREwoods operates across the UK, offering tree planting advice, support and funding for the best schemes.

We have designed **MOREwoods** for South Hams and Plymouth to be simple, with minimal paperwork, and no bureaucracy – helping as many people as possible to plant new woodland.

Outside the Langage priority area applications may also be considered if you can contribute towards the scheme, do some of the work yourself or if you are happy for your scheme to go forward for Forestry Commission funding.

All potential sites will be visited by a Woodland Trust adviser to check that the land is suitable for planting and advise on suitable species and tree protection – as well as help with the design. On approved schemes, we will organise work using our team of experienced contractors.

Either send back the tear-off registration strip, call 0845 293 5689, or email morewoodssouthhams@woodlandtrust.org.uk
